

Consolidated Account Statement (CAS)

Consolidated Account Statement (CAS) shows all your transactions and holdings across demat accounts held with CDSL and NSDL, as well as mutual fund units held in Statement of Account (SOA) form. CAS provides a combined view of your investments across all demat accounts and mutual fund units held with MF-RTA (mutual fund registrar and transfer agents).

You will receive your CAS monthly if you complete any transactions in your demat accounts or mutual fund folios. If you complete no transactions in any of your demat accounts or mutual fund folios for a particular month, you will receive your CAS half-yearly.

CDSL provides a facility for you to download your CAS through its website. You can learn more about CAS by visiting <https://www.cdslindia.com/cas/logincas.aspx>
